ENVISION SAFER WORKPLACES

Modern UI/UX

Key Features

- Capability to access centralized information among EOC sections/positions following I CS (Incident Command System) principles
- Situational Analysis
- Incident Briefing
- Incident Action Plan
- Resource Management
- Incident Management
- Reporting features
- Repository for stored ICS Forms, user guides, job aides, and training videos
- Quick search features and references
- Dashboards
- Administrative Screens for EOC

Dashboard

Dashboard on an EOC
Single one-stop focal point of information about an EOC

Dashboard

Activation Status

Summary View
 # of Report-In, Tasks, etc.

Activation

Activating (Creating a New) EOC

Emergency Support System

- Commander Dashboard
- Secure Communication
- Notification
- Situational Awareness
- GIS
- Task Management
- Resource Management
- Roster and Time Management
- IoT Integration
  - Panic Button, Gun Shot Detector
- CCTV Integration

EOC List

List of EOCs
- Detail, EOC Board, Workflow, Chat, Download Summary (in that order)
- Creating a "New" EOC Incident
- Current Status of an EOC Incident if there were more than one happening at the same time.

Columns – ID, Status, Type, Timestamps,

Action – View, Print, Dashboard, Tasks, Messaging

Search by -
- Issue Type
- Date Range
- Locations
- Public vs. Charter
- Facility vs. Non-facility
- Free text search for:
  - Incident ID
  - Student ID
  - Employee ID
  - Volunteer ID
